HelloooOOOooo parents,

So you dared to haunt your house.
Even more chilling, you dared to use your precious printer ink. Gutsy.

In this packet you'll find everything you need to put on a spooky and fang-tastic Halloween show in your home.

What's included:

- **Spooky Snapcodes**
  to haunt rooms in your house

- **Tips and tricks** on how to make
  your Haunted House a real treat

What you need:

- **A phone**

- **Snapchat app**

- **Color printer**

The creatures inside the Snapcodes won't be released till Halloween Day, but to help you rehearse we have released one ahead of time. You'll love Chrissy, she's a real treat.

Oh and don't forget to share your family's Hallow's Eve experience using **#NetflixHauntsYourHouse.**

Happy haunting,

NETFLIX

Parents, print the Snapcodes in color. Cut them on the dotted line and stick them in the suggested locations. Our sympathies in advance if you only have kid scissors. The horror!

6.

How to have a **spooktacular** haunted house experience with your kids.

1. Stick the Snapcodes in the suggested rooms.

2. Go to room with Snapcode #1.

3. Turn your smartphone's volume up.

4. Open Snapchat and tap and hold to magically activate the lens.

5. POOF! A/R begins.

6. Done? Close the lens by tapping the X at the bottom of the screen.

7. Visit the remaining rooms (2-7) and repeat.

8. Have a wicked time.
